

CERTIFICATE OF ASSURANCE

This is to certify that iTech Labs has evaluated the Rummy game offered by Head Digital Works Pvt Ltd and found that they comply with the relevant UKGC Standards* and do not support any forms of game play bot-usage.

Operators: Head Digital Works Pvt Ltd

Software provider URL: <https://www.a23.com/rummy.html>

iTech Labs has evaluated the game "Rummy" in PC browser, iOS and Android browser and Native apps. The game has been found to comply with the relevant Standards*. The game is peer to peer (P2P) based and hence have been specifically evaluated as per the relevant technical requirements. Based on the evaluation conducted on the game, iTech Labs confirms that their software is devoid of any processes, services or unintended code that would allow the use of a bot to control, mimic, assist or aid real player actions. Our evaluation of the software has also confirmed that the player actions are not overridden as a result of any bot activity.

The critical code for the game has been finger printed.
